

THE MODERN WORKSTATION

Uncompromising functionality, perfect design

Designed for the virtual desktop, Pano Logic's zero client is the most compact and simple way to deploy a Windows workstation. The Samsung SyncMaster S27A950D LED boasts next-generation design with first-rate picture quality. For speed and comfort, you can rely on the Canon P-150 document scanner and the wireless Arc Touch Mouse and Arc Keyboard from Microsoft. Roam freely around the office with the Jabra PRO 9470 headset with colour touch screen base. The elegant MAULprimus LED desk lamp ensures ideal lighting for optimum ergonomics.
